16-11	Miller Campus Center Handrails Issue Resolved

SUNY CANTON CAMPUS SAFETY WALK AROUND 11/8/17

LONG TERM PROJECTS

(Update #2 as of 11/29/2017)

	LOCATION	ISSUES/CONCERNS	ACTION
10-01-A	Cooper walkway to Coakley's (2010)	In need of repair	Project subject to available Capital appropriation and Campus priority. This will be added to next Capital Plan request. Budget issue. 11/2/16 This will be added to Cooper Service Complex Parking Lot Rehab Capital Project No Change 10/10/17
12-03-A	Miller Drive walkway (2012)	Concerns over pedestrian safety with walkway crossing four parking lot exits, as well as the very close proximity to the drive - in the winter cars slide while turning onto Miller Drive, potentially endangering pedestrians	Constructed as per design documents for Kennedy Hall Housing project. Consideration should be given to design/construct a new elevated sidewalk and granite curb. Under review. Budget Issue 10/9/15 Installed new cross walk signs (12) at cross walks along Cornell Drive. No Change 10/10/17
15-01-A	Plaza	Paver stones on plaza, potential trip hazards	Various work orders to address paver conditions on the plaza have been submitted. Work has been completed to remove/replace deteriorated concrete sections at a cost of \$22,650. Approximately 2 dozen pavers were salvaged and are on pallets near the storage buildings at the CARC. Several thinner cut pavers also exist that could be utilized in non-traffic areas. Also on the same subject, it is noted at the end of the attached update "less sand usage on plaza and more salt". The greater use of salt has severely deteriorated pavers as well as other concrete surfaces. It is also recommended that hard rubber cutting edges be used on snow removal equipment in lieu of steel cutting edges which has also caused premature failure of the pavers. M&O Issue. Approximately 16 pallets of 1 1/2" pavers and 16 pallets of 2 1/2" pavers were salvaged from Payson Hall East project that could be used to replace existing pavers in poor condition. No Change 10/10/17
15-10-A	Campus wide	Signage across campus	Working on additional way finding signage on Cornell Dr. and Campus Map update. 11/2/16 New campus map has been ordered. New campus maps installed. Replacement of signage along Cornell Drive planned Spring 2018. No Change 10/10/17
16-11-A	French Hall East Entrance	Rear Plaza concrete walkway is in need of repair	Project subject to available Capital appropriation and Campus priority. This will be included in future project requests 2/13/2017 No Change 10/10/17
16-11-B	Heritage Hall	Trash disposal area in the basement is isolated and may be a good place to establish a security camera and/or limited card access.	Work to be completed via Construction Change Directive to current contract for Rehab Mohawk Hall East project. Work to be complete August 2017. Work included in Rushton Hall East Wing Rehab project. No Change 10/10/17
16-11-C	Cook Hall/French Hall	Walkway northeast of French Hall and Southwest of Cook Hall has inadequate lighting	Facilities is going to check if site drawings indicate if a pole is supposed to be in that area. Under review. No Change 2/10/2017
