Friends, you have oft heard the term ‘Artificial Intelligence,’ yet its meaning may remain shrouded in mystery. You may wonder how it might serve your needs or where to embark upon this journey. I invite you to join us for a brief discourse on the nature of Artificial Intelligence, the tools it offers for your daily endeavors, and the prudent manner in which to employ it.

P.S. If you are wondering what is wrong with us for advertising the session in the voice of Abraham Lincoln, wonder no more. AI helped us with rewriting modern-day text into old Abe’s era language. Come learn how we did it!
