Dear Ms. Fiacco:

Thank you for your interest in the Nursing Home Administrator Licensure Program in New York State. The course(s) offered by your institution presented in the enclosed listing have been determined to be applicable to the education requirements for licensure as a nursing home administrator in New York State, and are approved for listing on the Department of Health's website as a resource to licensure applicants.

Any course(s) that were submitted for review, but are not listed, were determined not to be consistent with the course work protocols established by the Board of Examiners of Nursing Home Administrators and are, therefore, not approved for listing on the website.

Approval will remain in effect unless or until there is a change to the course title, course number or course level, or there is a substantive change to the course outline. Such changes must be immediately reported to the Board to ensure that the course(s) satisfy the education requirements for licensure as a nursing home administrator.

Should you have any questions, please contact the Department of Health's Bureau of Professional Credentialing at profcred@health.ny.gov or 1-877-877-1827.

Sincerely,

Paula J. Grogin
Executive Secretary
