

## Micro Course Monday – International Sustainability

Micro Course	International Sustainability
Date	Monday, September 9th
Time	3:00-4:00pm
In-Person Location	Dana Hall 228 – <a href="#">campus map</a> – parking in lot 5
Online Link	<a href="#">Live online in Collaborate</a>
Presenter	Daniel McLane

Learn what developing countries have to teach communities, business owners and organizations in the developed world about progress. This talk will highlight examples from rural communities in Panama and Costa Rica who are solving problems like public health, education, economic growth, homeland security and social justice all while prioritizing the environment. After exploring a few examples, this talk will describe the new course Sustainable Central America taking place this Winter term for two weeks, one in Panama and the second in Costa Rica.
