In accordance with the standards of a program's accrediting agency, practical nursing programs shall include clinical and theory hours sufficient to establish competency in Adult Nursing, Maternal/Infant Nursing, Pediatric Nursing, and Psychiatric/Mental Health Nursing.  (a) Didactic content will include Anatomy and Physiology, Social/Behavioral Science, Pharmacology and Nutrition  (b) Nursing education programs shall include clinical experience in state approved facilities. Clinical experiences must provide an opportunity for direct care in the promotion, prevention, restoration and maintenance of health in clients across the life span in a variety of settings. No more than 25% of clinical experience may be obtained in a medium- or high- fidelity simulation learning laboratory without prior Board approval or the approval of the program accrediting agency.</p>
