

Emily Crossway '26

Adams, New York

My name is Emily Crossway, and I am a sophomore in the Early Childhood Care & Management program. Upon completing my degree, I plan to continue my degree into Special Education. In addition to attending SUNY Canton full-time, I teach a preschool class of thirteen students full-time. I chose to invest my time and energy at Canton because of the ambience that the college offers. Campus is tranquil and welcoming, with a type of energy that pulls you in and makes you feel right at home. In addition, I knew that Canton would set me up for success. I have had many opportunities to create connections throughout the community because of SUNY Canton and the time and effort that each educator ensures to give every student. Outside of classes, you can find me volunteering at any and all Early Childhood Education events or giving tours as a student ambassador. Additionally, I am a member of the National Society of Leadership and Success, which opens many doors for me as a student, including scholarship and networking opportunities.

This is my first year as a student ambassador, and I have learned so much about the inner workings of campus life. There is so much dedicated effort and consideration that goes into each event on campus. Personally, I am thrilled share my experiences at SUNY Canton and provide insight as to why SUNY Canton would be a good fit for you.

GREAT MAJORS,
GREAT CAREERS.
