

Ivana Tchouala `21

Canton, New York

I'm Ivana Tchouala Tiayack. I am an international student from Cameroon, currently a senior at SUNY Canton, set to graduate this semester with a major in Business Administration, focusing on Finance.

SUNY Canton has been an exceptional academic home for me, due to the dedicated assistance and attention provided by the faculty. Their professionalism and commitment have greatly enriched my educational journey. The university offers numerous resources, including internships that enable us to apply classroom knowledge in real-world settings, supported by highly experienced professors committed to delivering the best education possible.

My favorite spot on campus is the library, where I appreciate the calm atmosphere and the extensive resources available.

This is my first semester serving as a student ambassador at SUNY Canton, a role that I cherish. Additionally, I work as a tutor in the Business and Accounting Lab. These roles have given me the opportunity to interact with diverse individuals, share my experiences, and enhance my communication skills. Outside of academics, I enjoy hiking and spend a significant amount of my free time at the athletic center of the school

**GREAT MAJORS,
GREAT CAREERS.**
