Joanie Shaw '27

Harrisville, New York

My name is Joanie Shaw, and I am in my sophomore year of college here at SUNY Canton. My major is Law Enforcement Leadership, and I plan to join a state or local police department and work as a police officer. In my spare time, I enjoy camping, listening to music, and I just started drawing tattoo designs on my iPad. The bands I listen to include Hozier, Mad City Hippies, Rainbow Kitten Surprise, Coast Modern, and Sleep Token. The genre of music I listen to highly depends on my mood, and can range from anywhere from heavy rock to hippie sunshine music to back road country. I competed in the 2021 Miss Teen New York pageant and plan to compete again in the future. I also own and manage my own sustainable beauty business as of June 1st, 2024. I chose to come to SUNY Canton to pursue my degree because it's relatively close to my hometown, and I have a lot of family that works in Canton. Also, SUNY Canton is one of few colleges that allow pets on campus.

This is my second semester as a Student Ambassador, and I plan to continue to be a Student Ambassador until I graduate in 2027. I enjoy being an ambassador because I meet a lot of people with similar interests to myself. Along with my student ambassador position, I also dispatch for University Police at night. I can be found in various places around SUNY Canton's campus, such as the library, the Cyber Café, and the foot bridges behind campus.

**GREAT MAJORS,
GREAT CAREERS.**
