

## Mohamed Bah`27

Bronx, New York

My name is Mohamed Bah, and I am in my second year at SUNY Canton. I am from the Bronx...shout out NYC. I am a first generation college, who comes from a family of hardworking immigrants. Right now, I am trying to make my way into the nursing program. Truth be told, if you told me I'd end up at SUNY Canton, my first question would be what's at Canton. But, I am grateful I found and went to this school because I have been able to pursue my education without struggling too hard because of the help and support system I have on campus. This place has allowed me to grown, mature and pursue my goals.

This is my first semester as a student ambassador. Even though I am a rookie, I am looking forward to making a positive impact. I can give people a perspective of the school that some people may not have, and I am happy to give back to this school because it has done so much for me in my short time here.

**GREAT MAJORS,  
GREAT CAREERS.**
