Clay, New York

Hello everyone! My name is Olivia Rotundo, and I am a junior in the Criminal Investigation program here at SUNY Canton. After graduating from Onondaga Community College with an Associates Degree in Criminal Justice, I figured SUNY Canton would be the best place for me to continue my studies. This is due to their one-of-a-kind Criminal Investigation program, which provides students with hands-on opportunities in the classroom, as well as professors who have extensive knowledge and job experience in the field. After graduating from SUNY Canton, I would love to pursue a career in Fraud Investigations. Even though this is only my second semester here at Canton, I have gotten myself involved with some of the many clubs and organizations on campus. I am a member of the College Activity Board, as well as Treasurer of the Celestial Craft Club. When I'm not in class, I enjoy spending time with friends and family, photography, traveling, and doing volunteer work. As a Student Ambassador, I am looking forward to helping prospective students and their families navigate campus and showing them all the great things SUNY Canton has to offer.

**GREAT MAJORS,
GREAT CAREERS.**
