

Rudie Nyom `24

Yaoundé, Cameroon

My name is Rudie Laeticia Nyom, and I am a senior in the Finance program. I transferred from my former college in my home country to SUNY Canton in January 2024 to complete my program and get my Bachelor's degree. As I grew up, I kept changing my mind about what I wanted to do in the future, and I decided to give a try to finance due to my love for money and risk. My choice for SUNY Canton is primarily due to the hands-on experience it provides and its rural setting. I am planning to work in a finance-related firm after graduating and later on, going for a Master's degree in Investments.

This is my first semester as a student ambassador. This position primarily interested me because I wanted to improve my communication skills and also share my experience at SUNY Canton with prospective students. I have also had the chance to work as a Student Assistant for the Wellbeing Program, an Events Assistant for Students Activities, and an Engagement Committee Intern for the Learning Commons. I hope I'll keep acquiring new skills while being a Student Ambassador.
