

Instructions for UCanWeb Usage

1. Go to www.canton.edu/enroll and click on the UCanWeb square icon in the middle of the page, as seen below and choose the first selection, “ENTER SECURE AREA”.

2. You will then be prompted to input your Canton email, which was provided to you on your acceptance letter. To arrive at your password:

 The default password formula for Email, Network & the Brightspace Course Management System is:

- the two digit day of birth
- the first three letters (first letter capitalized) of the month of birth
- the last four digits of the Banner ID (Student ID).

Example.....If one's birthday is February 1, and the Banner ID is 800006789, then the default password would be 01Feb6789.

3. Next you will need to Authenticate yourself for security purposes. You can download the Authentication App, or you can use your cell phone number to receive the code. Please do not use another's number, as this process periodically happens every two weeks. If you wish to use your cell phone, choose “I want to set up a different method” and you will be texted the code.

***Once in UCanWeb, you will see the main page. Take note of the tabs at the top of the page, example below.

4. Set up your one-time Security Question by going to the STUDENT MENU tab and then choosing the last option, “UCanWeb 9-Student Profile” and put in your PIN. Your PIN is your date of birth in this format: ‘MMDDYY’. Example, if you were born on March 24, 2005, then your PIN is 032405. You will then choose a security question. You can use a pre-set question, or elect to create your own question.

5. You will then click STUDENT CHECKLIST and hit submit. Make sure FALL 2024 is in the box and hit submit a final time.
