

Name _____

Intervention Levels: Cumulative GPA

High Intervention - 0.00-1.79= **6 LLC Hours**

Low Intervention - 1.80 and Higher= **3 LLC Hours**

PLAN FOR COMPLETING LEARNING COMMONS HOURS

Share with Your Academic Recovery Mentor by February 7, 2025.

In collaboration with your Academic Recovery Mentor, please develop a customized plan for completing your required weekly hours (per intervention level) in the Learning Commons, see <https://www.canton.edu/recovery/commons.html>. **You are able to choose how to spend your time in the LLC and what resources will help you succeed.**

For example, if you are on high intervention, you need to complete 6 hours each week in the Learning Commons. You could develop a plan with your mentor to spend 2 hours in the Writing Center, 1 hour working with a Librarian, and 3 hours studying in the Learning Commons. If you are on low intervention, you need to complete 3 hours/week in the Learning Commons. You may decide to spend 2 hours studying in the Cyber Cafe and 1 hour in the STEM Lab. You can adjust your plan throughout the semester as your needs change.

Here is a list of resources in the LLC, circle the resources you plan on using and indicate how much time you will be using them.

- Tutoring -make sure to use the login computer to document your hours. **No. of Hours** _____
 - Business and Accounting Lab
 - Writing Center
